**28. Fair Value Information**

The carrying amounts of cash and cash equivalents, short term receivables and payables approximate fair values due to the relatively short term nature of these financial instruments.

Fair value are categorised into different levels in a fair value hierarchy based on the input used in the valuation technique as follows:

- Level 1 – Quoted prices (unadjusted) in active markets for identical financial assets or liabilities
- Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the financial asset or liabilities, either directly or indirectly
- Level 3 – Inputs for the financial asset or liabilities that are not based on observable market data

The following table analyses financial instruments carried at fair value and those not carried at fair value for which fair value is disclosed, together with fair values and carrying amounts shown in the statement of financial position.
